

Vogt-Folientechnik I Design Manufactory

Exclusive Carwrapping and Paint Protection for your Porsche

Vogt-Folientechnik creates individual carwrapping designs, broken down to the vehicle dynamics. As a Porsche enthusiast, the managing director Simon Vogt has a feeling for unique lines on the vehicle and in cooperation with his in-house graphic artists an individual film design is tailored to YOUR vehicle.

Anyone can copy, we INDIVIDUALIZE!

Vogt-Folientechnik also offers Paint Protection Wrapping. Clear coat packages especially for Porsche have been customized. Invisible protection - the overall look is not altered.

Vogt-Folientechnik has over 30 years of experience. As a certified wrapping specialist, Simon Vogt is not only well known in Germany - the unique carwrap designs can also be found in motorsports all over the world.

We work with AUTOMOTIVE films that meet the most demanding requirements.

In our work, we combine foil development and know-how from many years of experience and the latest process technologies in vehicle wrapping. You profit from the three best components for a personal collaboration.

We customize your personal unique Carwrap for your Porsche
