Passion for gastronomy

A hand is shown pouring a dark sauce from a white dispenser onto a gourmet dish. The dish is served on a dark, textured plate and consists of several components: a breaded ball on a green base, a piece of meat or vegetable with a red sauce drizzle, and a piece of meat with a dark sauce and garnishes. The background is a dark, textured surface.

A unique gastronomic selection that will bring you closer to the regional flavors of southern Spain with the utmost sophistication.

Let us surprise you!

Count the stars

If there is something we enjoy more than driving, it's the best gastronomy at the best restaurants.

For the most demanding palates, we have selected restaurants with menus prepared by Michelin awarded chefs, possibly the most demanding culinary recognition, only given to the best professionals in the sector.

THE RESTAURANTS

In every stop, we will discover regional flavors and the best seasonal products to offer you an unprecedented culinary experience.

The **Mogli** restaurant in Marbella and the **Asador la Perdida** in Seville will be some of the main venues to complete an experience that raises the standards of gastronomic quality to the highest level.

The Spa combines modern facilities with the latest techniques and treatments. A perfect recipe to relax after an exciting day behind the wheel.

Day 1: Welcoming

South Soul Experience II will start on Friday at the **Hotel La Bobadilla 5*GL**. It will be in this idyllic location where we will welcome and register the participants of the experience.

Perhaps one of the most exciting moments for everyone, we are beginning a new adventure together with the best atmosphere and the best supercars.

Once you have been registered, you will be able to enjoy some relaxing time until a spectacular dinner that will take place in the hotel.

As on every occasion, we like to take care of all the details, which is why, prior to dinner, we will hold our meeting event, an ideal moment to meet and greet new and veteran friends of the club.

Day 2: Loja, Ascari and Marbella

We will start the second day of the experience heading to the Ascari racetrack with a spectacular driving route of approximately 90kms through some of the best roads of Loja and Ronda.

Once we arrive at **Ascari**, we will enjoy a VIP Track Day in an open pit lane format that will allow us to explore the limits of our supercars in a safe and controlled environment.

An impressive meal at the Ascari club house will allow us to continue enjoying the racetrack and give us the extra energy we will need until the end of the track day activity.

When the track day is over, we will head to Marbella where we will check-in at the **Hotel Villa Padierna 5*GL**, there we will be able to enjoy a Spa & Wellness afternoon until dinner time.

Ascarí

VIP TRACK DAY

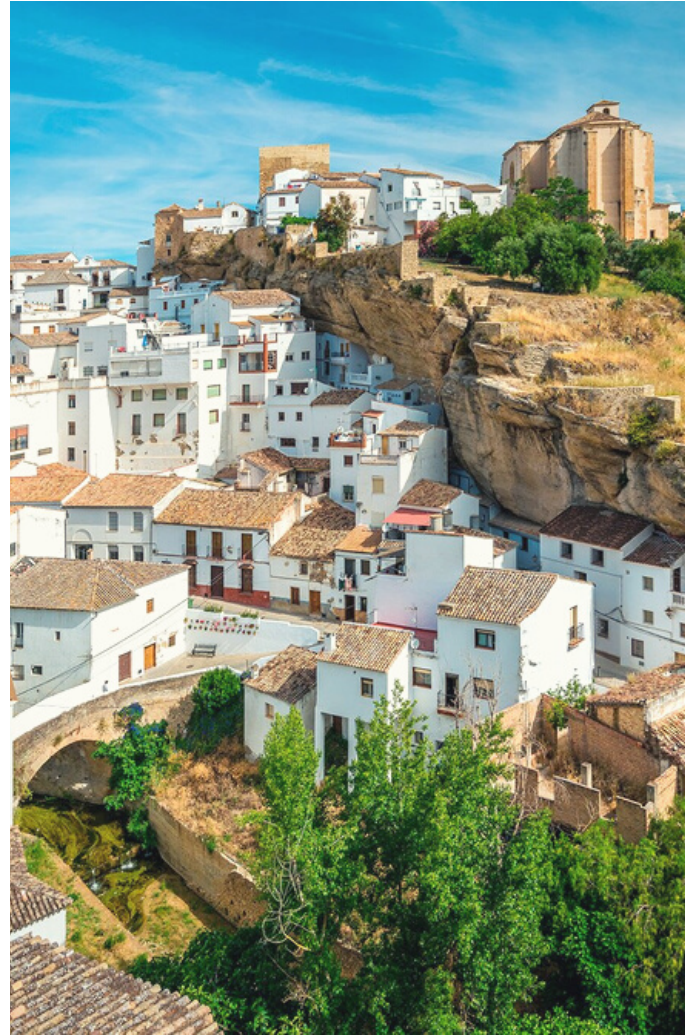

The secret race garden of Europe, that's how we describe this oasis located in the heart of the Serranía de Ronda.

Possibly the most exclusive racetrack in Europe, with unbeatable surroundings and first-class facilities, which makes each visit unique and deeply marked by exclusivity and enjoyment.

With 5,425 meters, it is the longest racetrack in Spain. Its layout recalls some of the most legendary curves of famous circuits from all around the world.

In this unmistakable racetrack, we will enjoy a **full-day VIP Track Day in open pit lane format** with all of Ascaris resort facilities and comforts to enjoy on and off the track with an ultra-limited number of cars.

Day 3: From Marbella to Sevilla

After some well-deserved rest, on Sunday we will drive an outstanding route of approximately 140km where we will visit the white villages and the Sierra de Grazalema doing a regrouping stop mid-way.

We will rememorate an incredible driving route that we already did in the first edition of South Soul Exp. and which participants loved.

On this occasion our finishing destination will be Sevilla.

Once in Sevilla, we will eat at **Asador la Perdida**. This moment will help us recapitulate the emotions lived during the three days of our trip together.

Perhaps the most difficult moment of each experience is the farewell, but what better way to do it than by talking about upcoming destinations and remembering the unique moments we have all lived together over the weekend.
